WHY POST GRADUATE EDUCATION AT UiTM...?

Here are some reasons why UiTM is the right choice for your postgraduate education and your preparation for life success.

UNIVERSITI TEKNOLOGI MARA

Universiti Teknologi MARA (UiTM) is Malaysia’s largest institution of higher learning in term of size and population. It has experiencing phenomenal growth since its inception in 1956 and it is still growing as an established teaching and research based university with an ever increasing number of undergraduate and postgraduate programmes and student’s enrolments.

In establishing a reputation as a leading research and academic institution, UiTM has also earned a reputation as one of Malaysia’s innovative and entrepreneurial universities through links with business and industry. This means that postgraduate students will be surrounded by cutting edge innovations, a rich research culture as well as inspirational lecturers and supervisors.

UNIT OF GRADUATE STUDIES

The Unit of Graduate Studies (UPSiS) of Universiti Teknologi MARA (UiTM) was established in April 1997 with aim of strengthening the UiTM’s postgraduate programmes.

It’s objectives are to:
1. Provide opportunities for Bumiputera graduate to further education at Master’s and Doctoral levels.
2. Operate as the nerve-centre of graduate-level education in the university
3. To be responsible for the implementation, management and overall administration of graduate studies
4. Coordinate and formulate policies on admission and academic regulations.
5. Provide support to facilitate research and learning among postgraduate students.

FINANCIAL SUPPORT

Graduate Financial Assistance Schemes

UiTM Graduate Service Scheme

This scheme was introduced to support students pursuing their Master degree by coursework or research programme with a monthly allowance. The successful applicants are required to assist in various academic activities at their respective faculties. The scheme is valid for one semester only and requires to reapply every semester. For more details, please visit our website at http://www.ipsis.uitm.edu.my

UiTM Fellowship Scheme

The UiTM Fellowship is another postgraduate funding programme by the University awarded to outstanding postgraduate who are currently pursing full-time PhD studies by research mode. This scheme covers payment such as tuition fee, thesis fee and monthly allowance. For more detail, please visit our website at http://www.ipsis.uitm.edu.my
